

Metal Cable Tie and Black Coating

Description

Arvi Cable Ties are manufactured with the best quality and tested to the limit. The plain stainless steel cable ties black are available in 304 stainless steel and can be applied to more varied purposes in indoors, outdoors or even buried. These are coated with PET for a better insulation improving its use in outdoor applications.

Available Certificates

Product Properties

PROPERTY	STANDARD VALUE
Material	304 Saintless Steel
Flammability	Non Flammable
Minimum Installation Temperature	-40°C
Work Temperature	-40°C to +150°C
Colour	Black
UV Resistance	Yes
Water Penetration	Does not Absorb
Chemical Resistance	Yes

Technical Drawing

Metal Cable Tie and Black Coating
