

Spiral Wrap Tube

Description

Arvi's Spiral Wrap Tubes are manufactured from flexible polymer, designed to bundle, guide and protect cables in electrical and industrial installations. The open spiral structure enables easy insertion and removal of cables at any point, supporting quick installation and repeated use.

Applicable Standards

- Directive 2011/65/EU (RoHS)
- Regulation (EU) 2023/988 (General Product Safety Regulation)

Performance

PROPERTY	STANDARD VALUE
Material	Low Density Polyethylene (LDPE)
Color	Black (RAL 9005) Natural (Transparent)
Operating Temperature	-25°C to +60°C
Melting Point	111°C
Halogen-free	Yes
UV Resistant	Black – Yes Natural – No
Flame Retardant	No
Self-extinguishing	No
